Builders Merchants Federation

## What our customers say...

"Centurion has been a great supplier to work with, always going the extra mile providing us with all the support we require. We stock a vast range of their products and because of their excellent delivery times and cohesive ranges, we have benefited from a great upturn in sales"

**Manager - WM Waites**

---

"We have worked with Centurion for many years and they have consistently helped drive sales in our business; providing great merchandising expertise, reliable and trustworthy representatives and brilliant customer care"

**Procurement Manager - TI Trading**

---

"Centurion have been a big part in the start-up of my business, having gone above and beyond the call of duty with merchandising, product selection and giving their knowledge of the industry"

**Abercynon Hardware & Pets**

---

"We've been with Centurion for over thirty years and they have become a mainstay of our business. This because, at least for a business like ours, the service they provide is invaluable. They seem to have a knack of providing just what we need and have carved a niche with some very popular products that no other supplier has spotted a market for. We are confident in saying that our very busy independent store would not be where it is today without Centurion"

**Bishopston Hardware**

# Merchandising Made Easy

Let us help maximise your sales with our effective and well respected point of sale and merchandising support.

Designed with the retailer and customer in mind, our merchandisers and point of sales displays maximise use of floor, wall or countertop retail space, while making sure products are seen clearly and effectively. As well as offering attractive matching merchandisers to clearly display the gardening product range and encourage customers to view and buy. Centurion can also help you to select the right range for your customer and along with our inhouse facilities, we can design and manufacture bespoke point of sale and merchandising units tailored to your needs.

## Effective elements of VISUAL MERCHANDISING

### COLOUR IS KING
Use colour to catch the eyes of your customers and draw them to your displays

### CREATE A FOCAL POINT
Always check your displays to ensure customers can easily view the hotspots and merchandise

### TELL A STORY
Use powerful, sales-enabling signage to display the advantages of buying the product

### EMPTY SPACE
Use empty space for signage providing customer testimonials with the customers details

### EXPOSE CUSTOMERS
A well-designed, impactful display exposes the customer to as much merchandise as possible while avoiding a sloppy mess!

# Pest Control

Pest problems don't only occur in the long warm days of the summer months. Just as we prefer to stay indoors for warmth, cold conditions tend to drive rodents and pests indoors where it is warmer and there is a greater supply of food, making Pest Control an all year round part of home and garden maintenance.

Our range provides control whatever the problem your customer faces throughout the year.
