

STANZA
ARCHITECTURAL HARDWARE

DESIGNER LEVERS

A selection of 17 classic and contemporary designer levers on rose, available in a variety of finishes suitable for any style of interior design projects.

The ZPZ levers are built on a zinc die-cast inner rose, come with a sprung assembly and 50mm diameter screw on rose cover.

A selection of levers are now available in four amazing new finishes:

Oscuro
matt black

Etna bronze

Favo satin brass

Tuscan rose gold

See page 17 for more information on these finishes.

All ZPZ levers and accessories are fully certified to BS EN 1634-1 for use on 30 and 60 minute fire doors.

Please note: a full range of suited accessories are available for these four new finishes – Please speak to your Sales contact for more details.

STANZA | OUR NEW FINISHES EXPLAINED

Favo Satin Brass (FSB)

Favo meaning Honeycomb in Italian. A Satin Brass finish with a warm, honeyed hue to give a lightly aged appearance.

Oscuro Matt Black (OMB)

Oscuro meaning Dark in Italian, essentially 'Dark Matt Black'. An Ultra-Matt Black finish.

Tuscan Rose Gold (TRG)

A Satin Rose Gold finish with a warm brown glow evoking the sun-drenched chestnut groves of Tuscany.

Etna Bronze (ETB)

Etna from the Volcano: Mount Etna, in Sicily. A dark bronze with molten red undertones that burst through under direct light.

STANZA
